REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

There was no prior art found by the examiner that suggested modification or combination with the cited art so as to satisfy the combination of all the limitations in claims 1, 13, 16, and 17.

As to claims 1 and 17, the prior art of record, taken alone or in combination, fails to disclose or render limitations "a partially reflective surface positioned at a tuned optical distance between the surface under inspection and the optical illumination system forming a resonator with the surface under inspection whereby **a signal generated by light reflected from defects on the surface under inspection that exceed a predetermined height is increased due to multiple reflections within the resonator**", in combination with the rest of claims 1 and 17.

As to claim 13, the prior art of record, taken alone or in combination, fails to disclose or render limitations "**means for increasing an optical signal generated by light reflected from defects on the surface under inspection that exceed a predetermined height**", in combination with the rest of claim 13.

As to claim 16, the prior art of record, taken alone or in combination, fails to disclose or render limitations "**means for decreasing an optical signal generated by light reflected from defects on the surface under inspection that do not exceed a predetermined height**", in combination with the rest of claim 16.
